The Two Oceans Hermanus Whale Festival

30 SEPT - 4 OCT 2011

The TWO OCEANS Hermanus Whale Festival celebrating its 20th year as the only enviro-arts festival in South Africa, "put the creatures of the deep on stage and under the spotlight alongside top performers and musicians from 30 September to 4 October"

Hermanus, known as the best land-based whale watching destination in the world, plays host to thousands of visitors (2010 we welcomed 130 000 visitors) who flock to the seaside resort to exhilarate in the unique natural environment, watch the whales and revel in music, and African rhythms during the festival

The Whales are always the star performers at the festival and will be joined on land by great food, quality crafters, sports events, kids entertainment and thousands of people celebrating Spring in the most beautiful place on earth - Hermanus

The 2010 Festival spread its wings to include ten venues around Hermanus and we plan to further extend this in 2011 to include Mount Pleasant and Gateway Shopping Centre amongst others. We are pleased to introduce the Checkers Living Table to the 2011 festival, who will provide a sixty-five meter marquee offering visitors the opportunity to meet the celebrities who will be doing cooking demonstrations, while enjoying some snacks and a glass of wine. Seating will be provided for 150 people and will take place every 20 minutes. Our Market Square crafts, food and entertainment will remain and will include the Marine Big 5 Conservation Expo hosted by Dyer Island Conservation Trust and the Whales & Wheels car show will take place on Saturday 1 October. New additions include "Save the Rhino" marquee which will be launched at the festival and will include 15 local crafters creating Rhino art, as well as Gateway Shopping Centre going Green. The sports strand will take place throughout the festival and will include MTB races, half marathons, and a Harbour to Harbour swim. The focus on our beautiful Southern Right whales will continue to be seen in Walker Bay all day long. The variety of events planned will keep the whole family entertained throughout the festival.

The full programme of events will be available from the Festival office on 1 August 2011.
